

# Don't Wait to Vaccinate: A Guide to Immunizations

Vaccinations offer your children numerous benefits. From boosting their immune systems to protecting them from serious infections and diseases, immunizations are particularly important for young children as their growing bodies are most vulnerable.

FIRST 5 Santa Clara County provides the following immunization chart to track your child's vaccinations.

Vaccine	Date	Health Clinic	Notes
Hepatitis B			
Rotavirus			
Diphtheria, Tetanus, Pertussis			
Haemophilus Influenza type b			
Pneumococcal			
Inactivated Poliovirus			
Influenza			
Measles, Mumps, Rubella			
Varicella			
Hepatitis A			

To learn more about vaccines, contact your health care provider.
