

## Program Narrative Report

**Instructions:** You may use this template to type in the responses for your Program Narrative Report. When complete, please remember to transfer the text to the Program Narrative Report in Persimmony. This report is completed every quarter.

Please provide a narrative summary of your program. Remember to include the following points in your narrative:

- 1 to 3 notable successes with your program in the quarter
- 1 to 3 challenges with your program in the quarter
- What lessons were learned; and adjustments made?
- If any support required from FIRST 5?
- Highlight any new program services/activities that were provided this quarter in the program by another partner or a braided funding stream.
